

LAVA FLOW: PCA ZONE 11  
 NEWSLETTER  
 VOLUME 1, ISSUE 1

ALOHA!

WOW, Our very own Big Island PCA newsletter. Building on our momentum the board of directors has determined now to be the time to release our first newsletter. We plan for this to be a monthly installment and have a couple recurring segments as well as special stories as they come along. If you would like to be featured in our Members Spotlight, and we hope to include everyone, please reach out with a photo and a little background information.

## OKTOBERFEST

What a great time was had by \*almost\* everyone who joined for the second annual Oktoberfest! Seeing so many Porsches pull in to the Waimea parking lot was really astounding. From there we went to the Marine Corps Training facility and sharing our cars with the Marines..

Was special. The number of old Porsches these younger car enthusiasts gravitated to gives hope that our passion will be carried forward by this younger generation. It is also a rare sight to get photos of soldiers, complete with M-16s, standing next to our beautiful cars!

# Call for Board Members

As our club grows we will need members to step up and help ensure a positive experience for all involved. We ask and urge that if you have a passion for Porsche you step up and help our club. Terms are 2 years and with “rolling” terms you will never be without experienced board members. The commitment as a board member is to attend one board meeting about every 2 months and to help with meet ups and drives as they occur. If you are hesitant or would like additional information about positions or expectations speak with any of your board members and they will be happy to tell you the inside scoop on what it's like to be involved.
