

LAVA FLOW: PCA ZONE 11  
 NEWSLETTER  
 VOLUME 1, ISSUE 2

## ALOHA!

Here is your second ever LAVAFLOW! After much debate by the Board of Directors we are going to continue with an online version of the newsletter, unless enough members would like a printed copy.

We have many great events planned for this year and hope through this newsletter to make you aware of not only what is coming up but also what has happened and even a little bit about your fellow members. If you would like to make a submission to this newsletter or have any feedback please direct it to [rhyshaydon@porsche356registry.org](mailto:rhyshaydon@porsche356registry.org)

## MEMBERSHIP

Porsche tells us that we have one of the highest percentages of potential members of ANY club in the U.S. This means that out of the total believed number of Porsche owners we have a very large percentage who are signed up. We are in the runnings for an award based on this. If you know someone with a Porsche who is not a member please encourage them to join so that we can continue to grow and continue to be recognized as a leading club.

Great conversations with other Porsche owners? If you said yes to any of these you will enjoy at least one of our upcoming events. We recently completed our first Round-the-Rock Tour where members drove around the perimeter of Hawaii. For those of you with a heavier foot, we are working out dates for Autocross events.

“It’s not the cars, it’s the people who make this group so special”

# Call for Board Members

As our club grows we will need members to step up and help ensure a positive experience for all involved. We ask and urge that if you have a passion for Porsche you step up and help our club. Terms are 2 years and with “rolling” terms you will never be without experienced board members. The commitment as a board member is to attend one board meeting about every 2 months and to help with meet ups and drives as they occur. If you are hesitant or would like additional information about positions or expectations speak with any of your board members and they will be happy to tell you the inside scoop on what it's like to be involved. Please consider giving back and joining the Board of Directors for a behind the scenes look. Nominations and voting this December.
