Report:

I have been sharing info from National each month after the EC's call with the Presidents in Zone 11. This has been working well, even with the time differences.

Big Island continues with good weather, (it is Hawaii!) so they are able to do a driving tour each month. They continue to do their board meetings through zoom.

Alaska is still in winter so they are planning for sunny days ahead with a full autocross season. Thank to Cindy Jacisin for helping to secure early insurance to complete the local site requirements. They have set the date of August 21, 2021 for their 50 Anniversary celebration.

Hawaii region has had some changes with a new board coming on in February. They are working hard to get up to speed. They have reached out to Bob Gutjahr for help with updating their bylaws. I will continue to help with questions and direction.

Respectfully submitted
