Report:

Over the past quarter, regions in Zone 11 have been busy. Zone 11 had a good turnout at Parade in French Lick despite Covid and border crossing issues.

Hawaii Region has their new By Laws approved by the members and is working on a slate for the upcoming election. They continue to do drives however with more limits on social places for events, they have had to cancel some annual events.

Big Island Region is still holding monthly tours. They are also looking at filling an election slate along with some positions where people have moved out of state.

Alaska Region celebrated their 50th Anniversary in August. We arrived on Friday and had a nice dinner with National Treasurer Craig Kugler and his wife Mary Lou, Alaska's President Mike Holtzclaw and wife Teri, VP Jamie Benard and wife Tracy. The next day was the photo shoot before the anniversary party. All the attendees lined up the Porsches before social hour and dinner. Mike Holtzclaw, President, was the MC for the evening.

Sunday, after the party, the group did a driving tour on Seward Highway to Matanuska Glacier with a lunch stop which had a great view of the glacier. I was able to tag along in three different members Porsches during the tour. I had some great tour guides in each car who shared with me so much about Alaska. Thanks guys!

The following weekend I was also able to attend one of Alaska's autocrosses. Their event was well attended and well run. Thanks to Jamie for lending his Porsche to us for the weekend. Thanks to all the Alaska friends for making our trip very memorable.

Respectfully submitted
