### Report:

For me, the fourth quarter came and went by quick in Zone 11. The President's continue to look forward to our monthly Zoom call meetings and sharing what they are doing in their regions.

Alaska Region finally put in for a Charity Subsidy this year. They chose Alaska Food Bank then they went all out including some members putting food barrels at their work locations. They donated 1600 pounds to the food bank.

Alaska Region wrapped up the year with an Autocross Awards presentation and pizza party. Their elections are complete and Mike Holtzclaw is retiring from the President position after too many years to count. Thanks, Mike, for all your years serving as president. Jamie Benard will be the incoming President.

Big Island Hawaii Region continues with their monthly drives somewhere around the Island. They ended December with a pre party drive and Christmas party which included a visit from Santa. Gunner Mench has one more year as President of the Big Island.

Hawaii Region continues to grow in numbers; however, they continue to have trouble getting volunteers for the basic board. Andy has been working nonstop writing How To's with screen shots for his incoming board. He hopes this will help them get off on the right foot and help bring in future volunteers. Andy Hatcher will remain as President for another year.

Hawaii Region was able to pull off their Toys 4 Tots cruise with great numbers. They had a time slot to meet at the Toys 4 Tots site right after the Tesla Car Club had dropped off their toys. Hawaii Region PCA filled 5 barrels, surpassing Tesla by too many to count. Great way to end the year.

Thanks to all the Zone 11 regions for great charity work this year benefitting their small communities and making a difference.

Respectfully submitted
