Report:

All three regions in Zone 11 are back to doing all their events from pre covid.

Big Island is continuing their monthly tours, with or without their President, Gunner Mench, on the island. This is great since Gunner now has others to take his place while he catches up with main land travel.

Alaska Region has planned more autocrosses and some different locations which have come available. They have had a good turnout for tours this spring.

Hawaii Region President, Andy Hatcher, is still working on step-by-step instructions for each board position as he is set on having someone take over President before the end of the year due to other commitments

The second quarter of 2022 was also spent planning for attending the Porsche Parade in Poconos with Alaska Region and Big Island. There was a good turn out and we were able to get together at th Poconos Parade for a pizza and salad party early in the week.

Respectfully submitted
