### Report:

Alaska has had a busy autocross schedule since returning from Parade. They were also able to make the long trek to Fairbanks to visit with PCA members up north over the Labor Day long weekend.

Big Island has continued their monthly tours which are going well without Gunner who has been traveling on the mainland. They are getting ready for their annual Oktoberfest in mid-October. I will be traveling to the Island for the event.

Hawaii Region has found a few new people to fill in the board after some have moved off island. They continue to run driving tours and meet around town to socialize in parking lots.

While I am going to Big Island Hawaii in October I will also stop by Maui and do a driving tour with the Hawaii Region people on Maui. Bill Sanders is their liaison and is setting up the drive.

Respectfully submitted
