Report:

This is my final Zone Rep report after 7 years. It has been a pleasure serving as Zone Rep of both Zone 7 and Zone 11. I have met and friended countless wonderful people in the regions. Along the way I have also learned so much about Alaska and Hawaii States from their members. I am sure Gary Glover will enjoy working with Zone 11 in the coming year.

For the 4th quarter of 2022 all is looking good for Zone 11. All Region reports are in, and the new Zone rep has been briefed. I will be available for all questions and concerns in the coming year.

Alaska Region held their end of the year Autocross award dinner with steins for the winners. They also had a food drive which brought in 1500 lbs. of food and \$300 cash. Great job for the community. They will hold their Holiday party in January.

I am happy to report Hawaii Region was able to hold their election and filled the board. I wish Christy Burke success with the new board and thank her for filling in when the president resigned. Hawaii Region should be going strong in the new year. During my trip to Big Island, I also visited Maui and met with Bill Sanders, Maui Liaison for Hawaii Region. Bill planned a tour with the Maui group. While we were at lunch with the group, I asked for more volunteers to help Hawaii Region. We did get a few volunteers and I am sure Hawaii's new board will vote in a new Maui Liaison come January.

Before Thanksgiving, Hawaii Region had 21 cars drop off toys at the Toys for Tots drop off location and then the group went to lunch. They held their holiday party at the Disney Resort with 60 members in attendance. The new board put together a QR code for members to log in and give ideas what activities they want to see in 2023. So far, they had 26 members respond. Great idea Hawaii.

Big Island Hawaii held a tour and Oktoberfest October 15th. Tom and I were happy to join the group for the events. I enjoyed meeting different members as I played musical cars at each stop from the Old Airport to Kona and on to Puulani Ranch. I learned all about the lava, volcanos, and the island on the tour. The Oktoberfest was held at a ranch with a great variety of German food and drinks for 25 members.

November Big Island had their Annual General Membership meeting and pizza party on the beach after their monthly drive. And December found Santa showing up and a gift exchange at Pauuilo Ranch.

I will miss our monthly Zone 11 Zoom calls with the region presidents. It has been an honor serving you as your representative the past 4 years.

Respectfully submitted
